

Rotarians!

Oshkosh Southwest Rotary is the proud sponsor of the 2010 District 2010 Conference in Green Bay, WI at the Radisson Hotel. Our theme is The Future of Rotary is in Your Hands – Catch the Ball. We are seeking your participation in our House of Friendship to share your club service projects which positively affect our world locally and globally.

The House of Friendship is an important tradition of any Rotary Conference, as it allows a place to view displays of club service projects and fund raisers from a variety of Rotary Clubs and Rotarians throughout our district. We know that our District Rotary Clubs are doing a great job with their projects and would like to provide an opportunity to showcase their creative genius and innovation to demonstrate “*Service Above Self*”.

Review your Club’s service projects and pick one or two to showcase – consider how your club took an idea and ran with it and succeeded! We know there are endless possibilities, so we want you to show the District what project made your Club proud to be called Rotarians.

The House of Friendship is an excellent place to meet new friends, renew old friendships and build new networks for future projects. The House of Friendship will be open to all participants Friday, opening day through Sunday noon.

This year the House of Friendship will be centrally located amidst the breakout classrooms, registration and social areas. Please indicate on the enclosed registration form what you will need for space and electricity. Submit it to Sandy Fontecchio by email, snail mail or fax.

Sincerely,

Sandy Fontecchio
