OUTBOUND RULES AGREEMENT FORM

Monthly Reports

You are responsible for mailing or e-mailing monthly reports, and must return them to District 6270's Outbound Coordinator in a timely manner. Failure to return the monthly reports will be grounds for not inviting the student to Grand Rapids at their return.

Full Year Exchange

Central States Rotary Youth Exchange and Rotary District 6270, promote a full year school year exchange. A full year consists of a minimum of ten and one-half (10 ½) months. Some countries require eleven (11) months. There will be no exceptions for early college tests, working before college, US high school graduations, welcome home parties, Prom or whatever excuse you can think up next year. Early returns jeopardize future exchanges, by leaving bad feelings. Requests for early returns will be grounds for removal from the program. Only students in the program will be invited to Grand Rapids.

Rotary Rules

Central States RYE has rules. District 6270 has rules. The host Rotary District will have rules. All must be complied with, even if the student turns eighteen (18) while overseas. Failure to abide by the rules will be grounds for removal from the program.

Travel

Parents must have permission from the host Club and District to travel to see their student. Students must have travel permission from their hosts, and may not travel unsupervised.

Exceptions to all of the above will be reviewed on a case by case basis. In all such cases, the decision of the District 6270 Rotary Youth Exchange Chairman will be controlling.

I have read and signed all Rotary District 6270 rules, and Central States Youth Exchange rules.

I will read, sign, and return host district rules to host district.

I will complete a full year (ten and one-half months) exchange.

I will mail or e-mail my monthly reports in a timely manner.
